New Challenge for Walton Firs Foundation

Our Founder
Patron, Patience,
Lady Baden-Powell
(1936—2010)

We need to replace our existing site centre building with a modern but traditional oak framed building which will be in keeping with the accommodation buildings on site, and sympathetic to our wooded green belt location.

It will be a hub for the many activities enjoyed by the Scouts, Guides, education and youth groups and provide a reception area where groups can collect and return equipment.

The Patience Baden-Powell Centre will enhance the activity centre, by sustaining its use and fulfilling our charitable aims.

We have the planning permission

but need to raise funds to purchase, or seek sponsorship for, a number of items to turn this project into reality.

Can you help?

Shopping List...

Much of the preparatory and finishing work will be done by volunteers and our Service Teams. However we still need to source a number of items. For example, we will need wall coverings and tiles for the floor.

Our website has more ideas.

Please visit us at www.waltonfirs.co.uk and follow the link to 'New Build'..
